1	Letter no. 2629 dated 7th January 1933 from the Fin. S.D.F. recommending that the Asstt. Dir. S.D.F. may be entrusted with certain powers.

The audit reports of the S.D.F. are being examined with a view to find out if the Dir. S.D.F. and the T.C. may not be conveniently empowered to attend to many of the objections of a routine nature and if the powers of Sanction in respect of some items may not be delegated thereto. This question may also be considered along with the points referred to above. In the meantime, it is for consideration if this may not be referred to the Comptroller on Hyderabad for favour of remarks.

SANDALWOOD OIL FACTORY

Bangalore, 7th January 193

No. 2629

2567

FROM N. RAMA RAO ESQ., B.A., B.L.,

DIRECTOR, SANDALWOOD OIL FACTORY IN MYSORE,

BANGALORE.

DEVELOPMENT BRANCH,

7 JAN 1

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Development Department,
Bangalore.

Sir,

I have the honour to state that I find from experience that it is necessary to delegate certain powers of control and expenditure to the Assistant Director, Sandalwood Oil Factory, to enable him to run the Factory efficiently. At present practically all powers are centred in the hands of the Director and as the Director's Head-quarters are Bangalore, and he is besides a touring Officer, much inconvenience and delay often result from the centralisation. This administrative inconvenience was to some extent obviated in ~~the~~ practice by informally delegating certain functions to the Assistant Director; but this laid us open to audit objection which has been frequently taken. I think that it is desirable that the Assistant Director should be regularly vested with powers adequate for the ordinary running of the Factory of which he is directly in charge and of which he is the ~~only~~ principal Officer constantly on the spot. I have bestowed considerable thought on the subject and have prepared a list of the powers which seem to me the minimum required for satisfactory management.

I beg ~~to~~ you to move Government to be pleased to make a formal delegation of these powers to the Assistant Director, exercisable to the revisory control of the Director.

I have the honour to be,
S i r,
Your most obedient servant,

DIRECTOR.
